A correction on

On a new flexible Lomax distribution: statistical properties and estimation procedures with applications to engineering and medical data

by Refah Alotaibi, Hassan Okasha, Hoda Rezk, Abdullah M. Almarashi, and Mazen Nassar. AIMS Mathematics, 2021, 6(12): 13976–13999. DOI: 10.3934/math.2021808

The author would like to make the following correction to the published paper [1]. The change is as follows:

Correcting a spelling mistake and adding the zip code in the affiliation of first author

From

Mathematical Sciences Department, College of Science, Princess Nourah bint Abdularhman University, Riyadh, Saudi Arabia

To

Mathematical Sciences Department, College of Science, Princess Nourah bint Abdulrahman University, Riyadh 11671, Saudi Arabia

The change has no material impact on the conclusion of this article. The original manuscript will be updated [1]. We apologize for any inconvenience caused to our readers by this change.

Conflict of interest

The author declares that they have no conflict of interest.
