The authors would like to make the following corrections to the published paper [1]. The corrections are as follows:

Based on our inspection, we identified several references as [23], [25–28], [44], [47–52] that could be considered less relevant to the corresponding content or potentially redundant.

Therefore, we have removed the aforementioned references and added the DOI numbers to references [33], [34], [41].

The changes have no material impact on the conclusion of this article. The original manuscript will be updated [1]. We apologize for any inconvenience caused to our readers by this change.

Conflict of interest

The authors declare no conflict of interest.
