A correction on

“Analysis of time-fractional soliton solutions for Kudryashov's law with dual nonlocal nonlinearity and refractive index in optical fibers” by Salim S. Mahmood, Muhammad Amin S. Murad, Taha Radwan, Karim K. Ahmed and Abeer S. Khalifa, AIMS Mathematics, 2026, 11(1): 2384–2405. DOI: 10.3934/math.2026097

One of the corresponding authors (Taha Radwan) would like to make the following correction to the published paper [1]. The change is as follows:

Removing the personal email address (taha.ali_2003@hotmail.com) from the correspondence and retain only the official university email address: t.radwan@qu.edu.sa.

The changes have no material impact on the conclusion of this article. The original manuscript will be updated [1]. We sincerely apologize for any inconvenience this change may cause to our readers.

Conflict of interest

The authors declare no conflict of interest.
