*Type of article*

**The full title of your paper**

**First name Last name<sup>1</sup>, First name Last name<sup>2</sup> and First name Last name<sup>1,\*</sup>**

<sup>1</sup> Department of Mathematics, Missouri State University, 901 S. National, Springfield, MO 65897, USA

<sup>2</sup> Affiliation

\* **Correspondence:** Email address of corresponding author; Tel: +1-111-111-1111; Fax: +1-111-111-1111.

**Abstract:** An abstract is a brief of the paper; the abstract should not contain references, the text of the abstract section should be in 12 point normal Times New Roman. **(200 to 300 words)**

**Keywords:** **(5 to 10 keywords)**

---

## **1. Introduction**

Please use the AIMS template to prepare your manuscript, before you submit to our journal. Please read carefully the instructions for authors at <http://www.aimspress.com> [1]. These are important instructions and explanations. Thank you for your cooperation.

## **2. Materials and method**

### *2.1. Subheading*

#### *2.1.1. Sub-subheading*

The heading levels should not be more than 4 levels. The font of heading and subheadings should be 12 point normal Times New Roman. The first letter of headings and subheadings should be capitalized.

## **3. Results**

The body text is in 12 point normal Times New Roman, the line space is at least 15 point.

---

**Table 1.** Caption of the table.

---

---

(Table body should be created by MS word table function; three-line table is preferred.)

---

**Figure 1.** Legend of the figure.

[add an equation here; use MS Word or MathType equation function] (3.1)

#### 4. Discussion

#### 5. Conclusions

#### Use of AI tools declaration

The authors declare they have not used Artificial Intelligence (AI) tools in the creation of this article.

#### Acknowledgments (All sources of funding of the study must be disclosed)

We would like to thank you for following the instructions above very closely in advance. It will definitely save us lot of time and expedite the process of your paper's publication.

The authors are requested to identify the organizations, institutions or people who provided financial support for conducting the research and/or preparing the article when you submit your article.

#### Conflict of interest

AIMS Press is committed to upholding the highest standards of publication ethics and takes publication malpractice and conflicts of interest very seriously. Some personal, financial and professional affiliations or relationships may be considered conflicts of interest. All authors, AIMS Press editors and

reviewers are required to disclose any actual and potential conflicts of interest at submission. **Please Declare conflicts of interest or state “The authors declare no conflict of interest.”**

### Authors' contributions

The list of Authors should accurately reflect who carried out the research and who wrote the article. All multi-authored papers should include an Authors' Contributions' section at the end of the paper. When the corresponding author submits an article, this implies that all authors and responsible authorities where the work was carried out have approved its publication. The corresponding author has to declare the contributions of individual authors when submitting the article. Please follow the ICMJE definitions when defining authorship.
